**Join us for a very special evening as we celebrate PowerMyLearning's 25th anniversary! We have an exciting program in store, honoring special guests and the students, teachers, and families we serve across the country.**

### **About PowerMyLearning**

PowerMyLearning is a national education nonprofit whose mission is to empower each student to thrive academically, socially, and emotionally by working hand-in-hand with educators to foster equitable learning environments. Our evidence-based programs strengthen teacher and leader practice to accelerate student academic achievement and social emotional learning (SEL) outcomes. The impact from our partners is unanimous: students thrive academically and in their well-being; teachers are empowered to close learning gaps; and leaders grow confident in leading instructional systems in their schools.

“We truly appreciate how PowerMyLearning helped us foster a love of learning with our child at home!”
